Thank you for choosing The Boulevard for your special event. If you have any questions please feel free to contact us at any time to discuss any concerns that you may have. We are looking forward to helping you plan your event and make sure that it is a success. Please take your time looking over our banquet options; we also offer custom menus and can accommodate your party ordering off of our main menu up to a certain number of guests. Please inquire with our management if this is an option you are interested in.

For your event; we require a \$100.00 deposit at time of booking. If your event is on a weekend this deposit will be used for your private room charge. During the week Monday-Thursday; the deposit will be deducted from your final bill. However during the Christmas season, if you wish for your event to be private, there will be a room charge regardless of the day.

If you choose to order from our banquet menu please keep in mind that your menu will be needed at least 2 weeks prior to your event date. Your final count will be needed 1 week prior to your event at which time your count can not be decreased. If you have additional guests after this point we can accommodate you.
